WORK EXPERIENCE

Gooding & Company Auction House and Private Brokerage (July 2015 – Present)

Publicist – Media Relations Specialist and Strategist

- Manage strategic messaging and brand profile by creating and expanding relationships with press contacts to influence media placement, as well as influence story direction
- Cultivate sponsorship opportunities to increase brand awareness and further corporate success
- Host press visits, drives and automotive experiences for strategic placements with key media
- Supervise the hospitality and publicity support for more than 600 media connections during off-site auctions and events
- Report directly to Chief Creative Officer and manage all aspects of both internal and external communications and publicity efforts, as well as assist with crisis communications
- Craft all company messaging, including marketing materials and consignment brochures
- Manage publicity campaigns for Jerry Seinfeld's Collection, Tony Shooshani Collection and Caitlyn Jenner Porsche sale for charity
- Secure top-tier placements on Forbes, CNN, Fox Business, Fox Sports, Vanity Fair, LA Times, NY Times, USA Today, Financial Times, CNBC, BBC's Top Gear, Fortune Magazine and more
- Pitch and secure segments on CNBC's *Secret Lives of the Super Rich*, CNBC's *Jay Leno's Garage*, Discovery's *Chasing Classic Cars*, as well as manage talent for live satellite remote interviews on Fox Business, CNBC and CNN

Click Communications (March 2011 – July 2015)

Account Executive, Online Publicity: Disney, DreamWorks/Netflix, Universal Studios, Lionsgate, Cartoon Network, Anchor Bay/Weinstein & Shout! Factory

- Managed the Cartoon Network, Shout! Factory and DreamWorks Home Entertainment accounts by strategically crafting media and blogger pitches, conceptualizing and securing online promotions to generate excitement with online audiences, managing day-to-day client communications and preparing campaign reporting for studio executives
- Facilitated US and Canadian press trips on behalf of Disney, Cartoon Network and Shout! Factory identifying influential media outlets and parenting bloggers to invite, coordinating logistics for up to 25 individuals concurrently, and leading groups through

immersion activities while communicating the client's key takeaways to attendees for post-event coverage

- Secured press for red carpet and press events and handled talent interviews for events such as Disney's *Need For Speed* press day at the Peterson Automotive Museum, Cartoon Network's *Black Dynamite: Season Two* premiere/Q&A at the American Black Film Festival, and Disney's *Captain America: The Winter Soldier* Blu-ray/DVD signing at Amoeba Records
- Created strong partnerships with 2000+ influential mainstream, geek, fanboy, entertainment and family bloggers to review and promote products online and across their social media channels
- Drafted targeted online and social campaigns for TV and Film
- Managed research and press contacts database
- Executed and managed internship program
- Implemented new reporting methods and tracking practices
