PLANNING

EXPERIENCE:

Account Director

Stackpole and Partners, Newburyport, MA Aug 2016 – Present

- Manage a client portfolio of professional services and their brands through change by establishing unique brand positioning and preference in desired core markets
- Develop, build, and execute programs that strategically align with the client's annual business goals and objectives. Examples of these include acquisition strategies, positioning and messaging, product-driven campaigns, master branding, account based marketing, launch campaigns and website design
- Manage agency partner/vendor relationships to ensure the quality and accuracy of campaigns from concept through deployment
- Present campaign strategies to executive teams, managing partners, and board members
- Deploy and manage seasoned strategists and external freelancers
- Clients include: Goodsill (Hawaiian law firm), Riker Danzig, Lowell Five Bank, DOAR (legal consulting and testifying experts firm), Merchants Fleet Management and Ncontracts.

Awards: LMA – First Place for Brand Enhancement (Goodsill), SIAA Gold Logo Design, (Goodsill), Bronze Website (Goodsill), Gold Total Advertising Campaign (Lowell Five Bank)

Manager, Employer Experience

Tufts Health Plan, Watertown, MA June 2015 – Aug 2016

- Responsible for managing and improving the customer satisfaction of employer groups as it relates to all Enrollment, Billing, and Benefits systems and applications. Created and managed adoption strategies, facilitated usability improvements, partnered with sales and marketing to obtain customer feedback and monitored metrics to measure desired outcomes.
- Responsible for staff of 13 employees dedicated to customer services, analysis, reporting, and testing activities
- Performed advisory role representing the customer for channel development, supporting corporate and departmental projects as necessary
- Scheduled and coordinated training for Employers, Brokers, and Sales for the Employer Portal in various formats (in person training, webinars, or via phone support) on demand. More than 200 clients attended the training which resulted in a reduction in calls to our customer service team

Program Manager II – Commercial Marketing, Sales and Strategy

Tufts Health Plan, Watertown, MA August 2014 – June 2015

- Plan and identify project objectives including scope, timelines, business requirement documentation, goals, operational and outcome success measures, roles and responsibilities, operational processes and accountability structures
- Serve as marketing consultant to internal departments and external clients for new technology introduction and adoption, webinar development and production, and digital communication best practices
- Develop and execute value added interactive tools to engage and help educate members during enrollment periods. Launched online forms across employer and member websites which simplified processes and increased efficacy for case management services and enrollment

Marketing Programs Specialist

Tufts Health Plan, Watertown, MA December 2012 – July 2014

- Collaborated with our defined contribution project team to conduct marketing research, positioning, sales training, webinars, product feature suggestions, and broker communication
- Manage department budget including forecasting, incremental spend request, evaluating cost savings opportunities, invoicing, exploring new vendor opportunities, and partnering with purchasing department for PO creation. Analyze marketing spend by audience and historical trends. Resulted in uncovering a \$100,000 which was reallocated to changing fulfillment vendors
- Responsible for generating new and innovative ideas on how to improve sales process, broker experience, client satisfaction and cost saving opportunities
