EDUCATION

Whitworth University

Majors: B.S. Bioinformatics with Computer Science (Honors)

Awards: Math\CS Department Achievement. Provost's Honor Roll.

May 2019

GPA: 3.73

WORK EXPERIENCE

Research Assistant, Math\CS Department – Whitworth University

May 2017 – Present

- Implemented Bayesian algorithms in R to perform RNA-sequencing analysis of the absence of the frk-1 gene in the *Caenorhabditis elegans* genome.
- Wrote R/Python scripts to analyze the role and frequency of repetitive telomeric regions in cervical cancer using a HeLa cell line.
- Spearheaded the Bioinformatics research team and presented our research paper at the Murdock Regional Science Conference and the Spokane Intercollegiate Research Conference.

Student Assistant, Financial Aid Office – Whitworth University

October 2015 – Present

- Data processing and analysis on financial information of students.
- Created an environment of productivity and personal accountability that was instrumental in teaching new student assistants how to accomplish tasks punctually.

SKILLS

Strong: Python, R, C++, Algorithms, Data Structures, Excel

Moderate: Machine Learning, SQL

Basic: CSS, HTML

Tools: Microsoft, Azure ML Platform, CUDA, Keras, MySQL, NumPy, TensorFlow, Visual Studio

PROJECTS

Single-Model Protein Quality Assessment

- Developed a primitive 3D-convolutional neural network model for predicting protein tertiary structures.
- Published a research paper in collaboration with Whitworth University Bioinformatics advisor.

Persephone

- Created a website that allows users to store and display their resumes online.
- Collaborated with team member to implement SQL database.

Airport Simulator

- Simulated planes arriving and leaving an airport in C++, using OOP.

LEADERSHIP AND ACTIVITIES

Student Success Coach – Whitworth University

August 2017 – Present

- Assisted four students per semester with overall academic coaching towards targeted achievement.
- Acted with discretion and abided by rules of confidentiality while bringing important information to the attention of the Student Success staff.

Cultural Diversity Advocate – Whitworth University

August 2016 – May 2018

- Promoted intercultural competency by facilitating dialogue and developing monthly cultural programs on-campus.
- Served as an on-campus resource to connect international students to resources in the United States.

Vice President – Fitness Club

August 2016 – May 2018

- Arranged triweekly workout sessions for all members of the club.
- Brought personal trainers to teach safe powerlifting and CrossFit movements to club members.

Volunteer – Friends of Mmofra

January 2016 – May 2018

- Participated in the planning and maintenance of an eco-friendly environment in Accra, Ghana.
- Edited and completed grant letters for the organization on a monthly basis. Was able to raise \$15,000 from grants in one year.
