Senior financial and strategic program manager with 10+ years of experience leading multi-million-dollar, cross-functional initiatives from planning through stabilization and closeout. Proven expertise in program governance, risk mitigation, and budgeting, with a track record of translating strategy into execution for senior stakeholders. Adept at client management and effective decision-making in high-stress environments.

PROFESSIONAL EXPERIENCE

INTEGRITY

Senior Project Manager
Project Manager

Boston, MA

May 2024 – Mar 2025

Dec 2022 – Apr 2024

- Led program and financial management for Integrity's flagship \$18.7M program, a 4-year U.S. government contract providing research and analytical services to U.S. embassies in twenty countries.
- Supported securing \$6M in additional funding and multiple contract extensions and oversaw a leadership transition during start-up.
- Developed program plans, timelines, operating cadences and risk/mitigation trackers to ensure on-time, within-budget delivery.
- Facilitated governance meetings and delivered executive-ready reports, status dashboards, and stakeholder workshops for U.S. government and international partners.
- Oversaw process improvements and change management processes that optimized delivery across 21 projects.
- Led development of 10+ governance, security, and operational processes and tools to ensure efficient project management.
- Select roles:
 - **Lead Financial Project Manager** – Management Team (2023-2025)
 - **Project Director** – Rwanda Reconciliation & Social Cohesion Assessment (2025)
 - **Research Manager** – Kosovo Violence & Conflict Assessment (2024)

INTEGRITY

Research Manager

Amman, Jordan

Aug 2020 – Nov 2022

- Oversaw program governance and delivery for monitoring & evaluation activities supporting a \$150M U.S. government stabilization program in Syria.
- Designed and managed data collection systems, ensuring operational efficiency for implementation of 2,500+ surveys, key informant interviews, and focus group discussions in Syria.
- Coordinated cross-functional teams and stakeholders, ensuring high-quality, on-time delivery of research programs for the U.S. government client.
- Produced 30+ executive-ready monitoring reports with strategic recommendations to guide client programming.

IMMAP
Research Analyst

Amman, Jordan
Jun 2019 – Dec 2019

- Led in-depth interviews with Syrian refugees in Jordan regarding their perspectives on returning to Syria, for a UN research study.
- Developed research methodology for research projects reaching over 6,000 refugees across Jordan
- Delivered qualitative research findings that informed UN humanitarian policy for Syrian refugees in Jordan.

QUESTSCOPE
Project Manager
Project Officer

Amman, Jordan
Apr 2018 – Dec 2018
Aug 2015 – Mar 2018

- Led program management, governance, and operations for \$2.3M in UN-funded humanitarian programs in Zaatari Camp, a Syrian refugee camp in northern Jordan.
- Negotiated funding uplifts and secured an additional \$1.9M in resources through budget forecasting and client engagement.
- Supervised a team of four staff and 30+ volunteers to implement programs for 3,000+ refugees over 3.5 years.
- Developed concept notes, theory of change summaries, progress updates, and other communications for 20+ individual and institutional donors of Questscope Zaatari Camp programs.
- Provided case intake and referral services for 100+ refugees, including undocumented refugees and survivors of domestic violence.

RESPOND, Inc.
Events Assistant

Boston, MA
Sept 2013 – Jul 2015

- Supported events planning and fundraising for New England's oldest domestic violence agency.
